

# SAFETY DATA SHEET

## AnneMaxx Enhance

<b>Section 1. Chemical Product and Company Identification</b>	
Product Name	AnneMaxx Enhance
Trade Name	AnneMaxx Enhance
Distributor	Annelida Soil Solutions Ltd., 904 9th Avenue, Nisku, AB, T9E 1C8, Canada, ph. 833-603-7645
<b>Section 2. Hazards Identification</b>	
Most Important Hazards	Not classified as hazardous.
Human Health Hazards - Eyes	May Cause slight transient irritation.
Human Health Hazards - Skin	Material may cause slight irritation on prolonged or repeated contact.
Human Health Hazards - Ingestion	A large dose may have the following effects: diarrhea, nausea, vomiting.
Human Health Hazards - Inhalation	Exposure to vapor at high concentrations may have the following effects: - irritation of nose, throat and respiratory tract.
<b>Section 3. Composition, Information on Ingredients</b>	
Hazardous ingredients/Chemical Composition	Humic Acid, Hydrolysed Amino Acids, Kelp Extract, Water
<b>Section 4. First Aid Measures</b>	
Human Health Hazards - Eyes	Wash out eye with plenty of water. Obtain medical attention if soreness or redness persists.
Human Health Hazards - Skin	Wash skin with soap and water.
Human Health Hazards - Ingestion	Wash out mouth with water. Have victim drink 1-3 glasses of water to dilute stomach contents.
Human Health Hazards - Inhalation	Remove from exposure. Seek medical attention if you feel unwell.
<b>Section 5. Fire Fighting Measures</b>	
Flammability Suitable extinguishing media	Not flammable, not combustible Use agents appropriate for the surrounding fire (e.g., water spray, dry chemical, foam, or carbon dioxide)
<b>Section 6. Accidental Release Measures</b>	
Personal Precautions	Wear gloves, safety goggles, coveralls. Wash clothing after use if contaminated.
Spill	Wash area with plenty of water.
<b>Section 7. Handling and Storage</b>	
Handling	Avoid inhaling vapor. Avoid contact with eyes, skin and clothing.
Storage	Storage area should be cool, dry, out of direct sunlight, in the original container with the lid closed. Do not freeze.
<b>Section 8. Exposure Controls, Personal Protection</b>	
Protective Measures - Respiratory	Use in well ventilated area.

# SAFETY DATA SHEET

## AnneMaxx Enhance

Protective Measures - Hands	Disposable vinyl gloves.
Protective Measures - Eyes	Safety glasses or chemical goggles.
<b>Section 9. Physical and Chemical Properties</b>	
Physical State	Liquid
Color	Brownish Black
pH	6.0 to 7.0
Flash Point	NA
Boiling Point	> 100 deg. Celsius
Solubility in water	Soluble in water
<b>Section 10. Stability and Reactivity</b>	
Stability	Stable under recommended storage and handling conditions (see section 7). Hygroscopic.
Conditions to Avoid	Exposure to direct sunlight, freezing.
<b>Section 11. Toxicological Information</b>	
Acute toxicity	Low order of acute toxicity Oral LD50 (rat) >2000 mg/kg Dermal LD50 (rabbit) >2000 mg/kg
Eye irritation	Inhalation LC50 (rat) >20 mg/liter/4h Exposure may irritate eyes.
Skin irritation	Exposure may irritate skin.
<b>Section 12. Ecological information</b>	
Eco toxicity	No relevant studies identified.
<b>Section 13. Disposal considerations</b>	
Waste Disposal Recommendations	Non-hazardous waste - Dispose of according to all federal, state and local applicable regulations.
Container information	Container should be cleaned by appropriate methods and then re-used or disposed of by landfill or incineration as appropriate.
<b>Section 14. Transport Information</b>	
Department of Transportation.	Not considered hazardous material
<b>Section 15. Regulatory Information</b>	
	None available
<b>Section 16. Other Information</b>	
MSDS first issued	27.07.2020
MSDS data revised	21.10.2025
